Sonuus appoints Paul Wishart EVP Press Release

08 July 2014

## **Sonuus appoints Paul Wishart as Executive Vice President**

Sonuus Limited have appointed Paul Wishart as Executive Vice President. Paul will be responsible for domestic and international sales and new business development.

Dr James Clark, director of Sonuus Limited, says “Paul has a lot of experience and contacts in the MI industry and his vision and enthusiasm are a great fit with an innovative brand like Sonuus. We are all looking forward to working with Paul as we extend our product portfolio.”

Previously Paul had a pivotal role in M-Audio as Director of Business Development and has held key positions in other pro-audio companies including Edirol, Presonus and Audio AG.

“This is a fantastic opportunity to create professional audio products with the world-class development team at Sonuus. With the increase in development from Sonuus, the timing seemed right to step in now and help to achieve the 2015 product plan,” says Paul Wishart.

Sonuus Limited is a music products company, based in the UK, established to develop and exploit new technologies to create desirable, innovative, products at sensible prices. Sonuus is focused on providing musicians with solutions that are better, simpler, or offer more value than anything else available on the market today.
